

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SA1014CE

This certificate issued to: Sabreliner Aviation, LLC.
1390 Highway H
Perryville, MO 63775

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 4b of the Civil Air Regulations.

<i>Original Product - Type Certificate Number:</i>	A2WE
<i>Make:</i>	Rockwell International
<i>Model:</i>	NA-265-60

Description of Type Design Change:

Cockpit voice and flight data recorder, altitude alerting system, encoding and radio altimeters and weather radar installations. Data Required:

1. Aviation Services Division Drawing No. 60S-72-2000, Revision A, or later FAA approved revision, and subordinate data referenced therein; and
2. FAA Approved Airplane Flight Manual Supplements No's. 45 & 46 dated April 25, 1974, revised October 5, 1976, and No's. 47 & 48 dated April 25, 1974, or later FAA approved revision, and subordinate data referenced therein.

Limitations and Conditions:

This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: April 10, 1974

Date reissued: June 30, 1983; March 7, 2014

Date of issuance: April 25, 1974

Date amended: October 5, 1976

By direction of the Administrator
